If this world makes you crazy and you've taken all you can bear,
you call me up, and you know I'll be there.

And I see your true colors shining through
I see your true colors, and that's why I love you
So, don't be afraid to let them show, your
True colours, **true colors, true colors are shining through**

I see your true colors, and that's why I love you
So, don't be afraid to let them show, your
True colors, true colors, are beautiful (...) like a rainbow.
